CITY GOVERNMENT

THE MAYOR'S ADDRESS

"Gentlemen of the City Council:

"In my message to you at the beginning of a new year, it is not my intention to go into detail as regards the conduct of the several city departments. You gentlemen who comprise the joint standing committees are familiar with the departments over which your respective committees are the supervising board.

"I believe that on the whole our departments have been efficiently administered and that our department heads are mindful of the necessity for the practice of economy.

"In the beginning of the year 1936 I was pleased when the assessors after they had received the finance committees' estimate of appropriations, told me that it would not be necessary to increase the tax rate. Then came the flood which made it necessary for us to increase the appropriation for the highway department, and consequently make a slight raise in the tax rate.

"You have, no doubt, as I have, been called upon many times by your constituents for new improvements in the way of sidewalks, streets, street lights, drains, and other things. There is no end to what could be done if we yielded to every one's appeal, but again I must remind you that the city's only source of revenue is the taxes it collects, and it is my opinion that our tax rate is about as high as property owners can stand at the present time. That the city needs new industries, you will all agree, but you cannot attract new industries with a high tax rate.

"I have made an effort to find out what other cities are doing in the matter of street lighting, and I have learned that Keene is spending as much as, if not more than any other city in the state for this item per capita.

"The old problem of welfare is still with us. While there may have been a slight decrease in direct relief, the old age assistance item is increasing rapidly."

(At this juncture Mayor Trask quoted a section of Ex.-Gov. H. Styles Bridges' inaugural address relating to old age assistance as follows:

"In New Hampshire more than 3,000 citizens are receiving old age assistance grants. This form of public assistance will very shortly constitute a financial problem paralleling in magnitude direct relief.")

Continuing, Mayor Trask said:

"I have been told that there might not be any reimbursement from the state for relief after March of this year, and we are told that the WPA projects will soon be over. I would like to call your attention to how the expenses of the welfare department have grown over the past eight years. If you will look up the city report for 1929 you will find that the sum of $6,000 was appropriated for paupers and $2,000 for aid to soldiers. The past two years have shown expenditures for this department of approximately $40,000 per year.

"I am bringing this to your attention in order to emphasize that

in spite of the fact that published reports tell us the depression is over, we must continue to practice strict economy, not the sort of economy that would impair the efficiency of any department, but an economy that will see to it that the tax payer receives full value for every dollar expended.

"To the heads of all city departments I take this opportunity to express thanks and gratitude for their many courtesies and fine spirit of cooperation, and to you gentlemen of the city council may I express my deep appreciation for your loyalty and support and for your splendid record of attendance at meetings. It is my hope that this spirit will prevail during the coming year, for these are the things that make it a real pleasure to serve my city and yours."

August 13, 1937.

Honorable Mayor and City Council,
Keene, New Hampshire.

Gentlemen:

By her last will and testament Grace I. Watkins of Keene gave to the City of Keene $200.00 in trust by the following article in her will:

"Fourth: I give and bequeath to the City of Keene, New Hampshire the sum of two hundred dollars ($200), in trust, however, for the following purposes, viz: The same to be put at interest and the income to be expended for the upkeep of the cemetery lot purchased by my executor as above described."

At the time of her decease Miss Watkins was buried in the James Hoyt Lot, and provision has been made for both her father and her mother in that lot. Her mother has already been buried there. Therefore, the bequest would seem to apply to that lot, and I inclose my check as Executor to the order of the City of Keene for the sum stated for the purposes described in said bequest. I trust the City will see fit to accept the bequest and authorize execution of the inclosed receipt.

Yours very truly,
ORVILLE E. CAIN
Executor of the Will of Grace I. Watkins.

IMHOFF TANKS AND BEDS

The Tanks were operated until July 19, 1937, upon the advice of the Consulting Engineers.

From July 19, 1937, they were operated upon advice of the Sanitary Engineer of the State Board of Health. Owing to the acid condition of the sewage, a large amount of lime had to be used (about 600 lbs. per day) for several weeks. They are now working very satisfactorily by using 600 lbs. per week.

A sample of the sludge is taken daily and tested in the local Board of Health Laboratory by Mr. White.

REPORT OF SUPERINTENDENT OF HIGHWAYS

To His Honor the Mayor and Gentlemen of the City Councils:

The following report of the Highway department for the year 1937 is submitted.

This year there has been little new construction. Most of our work has been maintenance.

Drummer road, a new layout, was graded and graveled at an expense of $500.

Sunset Terrace was previously laid out. A new house built this year at the intersection of Highland Avenue, made it necessary to extend the latter street, and construct a part of Sunset Terrace at a cost of $212, exclusive of oiling.

Greenwood Avenue, Edgewood was laid out several years ago and only partly built. A new house erected last year on the unimproved section, made it necessary to construct another portion of this street.

Continuing the work on Woodbury Street commenced last year, we have built a cement wall 284 feet long, from 6 feet to 14 feet high, 2 feet wide at the top and varying widths at the base in proportion to the height. Heavy wood rails have been attached to railroad iron set in the cement. Being on a side hill this was an expensive street to build. Cost of wall $2,300, cost of street construction $1,500.

Quite a lot of work has been done on Upper Court Street adjacent to the stone arch bridge, where we have carried the road to the East to make a better approach to the bridge.

An appropriation was made for the extension of Tiffin street. Cost of land damages $205, cost of construction $346.40.

It was suggested this year that we use $2,000, for resurfacing tar and gravel walks. Some of our tar walks have been in use 30 years. We have resurfaced and rebuilt many of them at a cost of $1,800, and there is more of this work that should be done. We have also built and resurfaced gravel walks at a cost of $1,100.

Owing to the wet spring we have cut this year an unusual roadside growth of weeds and brush.

With the continued use of oil and tar and a liberal use of drag and road hone, the surface of our gravel roads is improving each year. It is evident that this is the most economical way of maintaining our highways for year round use.

We are now receiving the benefit of permanent construction of bridges and culverts. No repairs have been required this year. One new culvert was built.

Our incinerator has been in constant use over 20 years and must soon be replaced. When this is done consideration should be given to the use of the waste heat to dry sand.

REPORT OF PARK COMMISSIONER

To the Honorable Mayor and City Council:—

The report of your Park Department may well be divided into two parts, the general care and improvement of the various park areas, now embracing 310 acres, and the activities of the Robin Hood Swimming Pool and Playfields.

At the latter the largest gain in attendance of any year was noted, necessitating the employment of another playground assistant and the addition of another set of swings and other equipment. Again under the direction of Newell J. Paire, the ten weeks supervised period saw a total attendance of approximately 25,000 and was, for the fourth successive year, free from any serious accident. The closing swimming and track meets brought out a larger number of contestants and spectators than ever before and it is recommended that additional apparatus be provided to care for the constant increase. Attention is called to the low per capita cost of these activities, the total expense for supervision and equipment at both pool and playground amounting to $1,014.

In the care of the other parks, Wheelock, Fuller and Ashuelot Parks have been maintained by the same caretakers and at Fuller Park, cement platforms have been put in at the four openings around the pond as a measure of safety.

Again this year assistance from the W. P. A. has permitted a large amount of work, as well as effecting a large saving in relief funds to the city. From 12 to 20 men have been employed on these projects, their pay from federal funds amounting to $9,100 while the city's cost for materials and supervision has been only $1,600. On the Drummer Lot the work of clearing the entire area of 135 acres of brush and undesirable growth has been completed, some of the trails improved, and the ski run extended a hundred yards by cutting and grading. The Dinsmoor and Faulkner & Colony Woods were thoroughly cleaned and trimmed, a new stone wall erected and pines planted around the "Four Corners Lot". At Wheelock Park, the entire area has been made more available by clearing underbrush and cutting out much dead wood. With the use of the area around the present building as the playground, and the consequent curtailing of its use by other groups, it is hoped to create another attractive picnic ground and it is recommended that another shelter be erected by W. P. A. labor and water be piped to it. During the year the department provided and placed a boulder on which was placed a bronze tablet in memory of Mr. A. W. Pressler "The Children's Friend."

To accommodate the increasing number of picnic parties at Robin Hood Park, a stone wall was erected in the grove east of the playfield and a considerable area filled and graded to level the hillside. It is planned to provide more tables and fireplaces as well as seats overlooking the playground. The hill back of the swimming beach was also graded for the use of onlookers and a considerable amount of work done on the roads. More planting of shrubs, vines and perennials has been done and over a hundred spruce trees have been planted around the old octagon reservoir.

Respectfully submitted,
ROBERT T. KINGSBURY,
Park Commissioner.

REPORT OF CITY PHYSICIAN

December 15, 1937.

To His Honor the Mayor, Board of Aldermen and City Councils:

Gentlemen: I have had the honor to serve as your City Physician since the death of the late Dr. Charles S. Walker in January, 1937.

All medical or surgical calls were attended to as promptly as possible. I did not have any Hospital obstretical cases nor any deaths of those on Relief during my term of office.

In the Spring we were visited with a city-wide epidemic of measles which fortunately were of a mild type.

For the first three quarters of the year, Relief work was comparatively quiet, but with the present "recession" in business, the number of families forced to call for assistance has been very materially increased.

I heartily wish to thank the Overseer of the Poor, Mr. Paul B. Hayward, and the District Nurses for their courteous co-operation.

Respectfully submitted,

W. F. TAYLOR, M. D.
City Physician.

REPORT OF HEALTH OFFICER

To the Members of the Board of Health, Keene, N. H.:

I hereby submit a report of my work for the year ending November 30th, 1937.

The routine inspections of stores, restaurants, bakeries, barber shops and dairies have been carried out throughout the year. A great many complaints have been investigated and nuisances abated.

One problem of the year was to get the sewage disposal plant operating properly. Complaints were made to the Health Officer and a petition sent to the city government requesting an investigation of conditions causing a strong odor on lower Main Street. The State Board of Health was contacted and the State Sanitary Engineer, Mr. Trager, made a complete investigation of the plant. With the assistance of Mr. Vintinner, a chemist from the State Laboratory, tests of the sludge were made in the Keene Health Department Laboratory and it was determined that the failure of the sludge to digest properly was due to an acid condition in the digestion chamber. The addition of slacked lime has now remedied this condition and the plant is now operating properly. Mr. Trager has made many trips to Keene to inspect the plant and give advice and the plant has actually been operated under his supervision since July. Daily tests of the sludge have been made in the Keene laboratory by the Health Officer in order to prevent a return of this acid condition. Many thanks are due Mr. Charles Howard, the State Chemist, for the services of Mr. Trager and Mr. Vintinner at no cost to the city.

Beginning about March 15th, and continuing until about July 1st, there was an epidemic of measles of over 700 cases which were quarantined. There has been some increase in quarantine expenses and medical services over last year as shown in the report of the Board of Health. Contagious disases have been well reported this year but there are yet many families that do not know that they are required by State Law to report all cases of contagious diseases in their homes.

There have been reported during the year December 1st, 1936 to December 1st, 1937 the following number of cases of contagious diseases.

Chicken pox,	90
Gonococcus infections,	11
Measles,	710
Mumps,	30
Infantile paralysis,	2
Scarlet fever,	23
Syphilis,	3
Trachoma,	1

REPORT OF CITY ENGINEER AND BUILDING INSPECTOR

Keene, N. H., Dec. 1st, 1937.

To His Honor the Mayor and Board of Aldermen:—

My report for the year of 1937 is herewith presented:

Engineering work has been done this year as usual for various city departments. New lots have been laid out in Woodland Cemetery for the Cemetery Department and a plan of these lots has been drawn.

Line and grade has been given on many streets for highway construction, and street lines and sidewalk grades have been given to contractors and builders so they might build in accordance with the zoning and building laws.

Granite highway markers have been set on all newly accepted city streets including the street to the Drummer lot, Graves road, from Marlboro street to the former Graves residence, on Tiffin St. extension and on other streets.

Many of the older city streets not definitely marked, should be surveyed and have stone markers set at proper places as an aid to the building and zoning laws. This establishing of street lines is also necessary for correct deed descriptions of land transfers.

Permits to the number of 22 have been granted for signs.

Neon electric signs erected,	8
Ordinary wood or metal signs,	14

Building permits to the number of 173 have been issued this year as follows, with approximate cost of construction, $189,850 00

Single houses,	12
Double houses,	1
Single apartment over store,	1
Additions and alterations to houses,	67
Over night camps,	2
Stores and shops,	2
Stores and shops, additions and repairs,	28

Garages, two or more cars,	13
Garages, additions and repairs,	6
Barns, additions, etc.,	3
Sheds, poultry houses, etc.,	5
Repairs to church,	1
Hotel remodeled,	1
Cabins and small cottages,	6
Potato storage building,	1

Trucking terminal,	1
Bottling plant,	1
Buildings moved,	4

New house numbers assigned this year 24.

Respectfully submitted,
RALPH H. CLARK,
City Engineering and Building Inspector.

REPORT OF INSPECTOR OF PLUMBING

To His Honor the Mayor and Members of the City Councils:

I herewith submit my report as Plumbing Inspector for the year ending December 1st, 1937. I have contracted all persons doing plumbing and have found all parties conforming strictly to the rules required.

I have personally inspected and tested all new installations, additions and alterations made in the city.

REPORT OF TRUSTEES OF KEENE PUBLIC LIBRARY

To the Honorable Mayor and City Councils:
Gentlemen:

The Trustees of the Keene Public Library report that the year 1937 has been one of continued service and success.

The librarian's report gives in detail an accurate picture of the work and its development through the year.

The extension of library service to the patients of the Elliot Community Hospital was undertaken in the summer, and has been much appreciated.

Many groups continue to avail themselves of the opportunity of using the Club Room and Library Hall for their meetings.

The Trustees were pleased to grant permission to the Historical Society of Cheshire County to hang a portrait of Sir Benjamin Keene in the Reading Room on the first floor of the Library. The portrait was presented to the Society by Mr. John P. Wright of Keene.

The Trustees wish at this time to express their thanks to the staff for their willing efforts in meeting the problems and demands of the past year. No single factor has contributed more than their loyalty and cooperation in serving the Library's interest.

RUTH P. HUNTRESS,
Secretary.

REPORT OF LIBRARIAN

To the Trustees of the Keene Public Library:

Following is the report for the year 1936-1937:

The close connection between prosperity, depression and the library usage has again been demonstrated. The first of the year, the patrons of the library, to some extent, found their recreation in other ways than reading. Today they are finding their way back to the library. The Reading Rooms are well occupied from nine to nine and the circulation of books is increasing.

To meet the demand for reference work and popular reading, two and three copies of several magazines have been added and their use has justified the expense. Many gifts have been received so at present 108 magazines and papers may be found on the shelves and tables. More space has been needed for the past year and a new magazine rack has been ordered.

The latest edition of the Encyclopedia Americana and a recent atlas are among the most important additions to the Reference Room.

The circulation of books from the Junior Department was a little more than 21% of the whole circulation. The largest single day's circulation since the department was opened occurred on Nov. 16 with a record of 250. Seven story hours have been held, with an average attendance of 66. Lessons in the use of the library have been given to classes from the Junior High Schools. The Summer Reading Course enlisted 33 young people, who were given a good time in September with games and amusements with Mrs. Lacey of the Trustees as speaker. For Book Week, an attractive display of new and old books was arranged. The various schools sent in projects of hand work, planned especially in celebration of Book Week, which made the department an especially interesting place. On Saturday afternoon of that week at Parker Hall, the Junior High Schools gave an entertainment of music, charades and a play to which 400 children listened with great enjoyment.

The newest plan for extension service has been that to the Hospital. In cooperation with a group of Hospital Trustees, and under the direction of Miss Marion Goodwin of our staff, books have been taken twice a week, since midsummer, to the patients. Appreciation for the services was expressed many times even from those who were not able to avail themselves of the privilege offered. To out-of-town patients it has proved a great boon and pleasure.

Much help to students and teachers is freely given each year and close contacts have been made so that the library is well informed on the needs of the schools.

Four members of the staff attended the conference of the N. H. L. A. at New London in September for a day or more.

The Library Hall and Club Room have been used by 11 different groups 89 times.

The librarian is greatly appreciative of the loyal assistance of the Trustees and library workers.

Respectfully submitted,
MARY LUCINA SAXTON,
Librarian.

REPORT OF CITY SOLICITOR

To his honor the Mayor and members of the City Councils:

Your City Solicitor reports activities for the fiscal year ending November 30, 1937 as fololws:

At the beginning of the year the City of Keene was involved in the following suits:

Kingsbury Machine & Tool Corp. vs. City of Keene.
Faulkner & Colony Mfg. Co. vs. City of Keene.
W. P. Chamberlain Company vs. City of Keene.
Keene Silk Fibre Mills vs. City of Keene.
Kate C. Dort vs. City of Keene.
J. H. Ferguson Company vs. City of Keene.

Of these six suits, the suits of the Kingsbury Machine & Tool Corporation and the Faulkner & Colony Manufacturing Company against the City were brought for abatement of taxes. No effort has been made by Counsels for the petitioners in these cases to dispose of them and they are still pending.

In the action of the W. P. Chamberlain Company vs. the City of Keene which was brought for the abatement of taxes, this action has been dismissed.

In regard to the Keene Silk Fibre Mills, another action for abatement of taxes. This case has not been disposed of but progress is being made, and it is believed this matter can be satisfactorily adjusted.

In the matter of Kate C. Dort vs. the City of Keene. This action is to collect for damages caused by water running into the cellar of the house at 25 Elm Street. It is alleged that certain acts of the City caused this damage. This case has been on the docket for sometime, and will probably be tried and should be disposed of sometime in 1938.

In the matter of the suit of the J. H. Ferguson Company against the City of Keene, being an action brought to recover damages alleged to be caused to the Company by a delay in completing their part of the work on the Sewerage Disposal System. This case was tried in the September term of Superior Court, and I was assisted by John R. Goodnow, Esquire, former City Solicitor. The jury awarded a verdict of $2,000.00. This case has been transferred to the Supreme Court on questions of law.

The following actions brought by the City of Keene were pending at the beginning of the year.

City of Keene vs. Ida Tatelman, et als.
City of Keene vs. Charles G. Putney d. b. as Keene Steam Laundry.

In the matter of the suit brought by the City of Keene against Ida Tatelman, et als. This suit was brought in an effort to secure an injunction against the use of the premises on Winchester Street as an automobile graveyard. This case was set for trial at the September term of Superior Court, and at a preliminary hearing before Judge Oscar L. Young presiding Justice, he ordered this matter continued for the February term of the Superior Court.

In the matter of the City of Keene vs. Charles B. Putney d. b. as Keene Steam Laundry. This was an action to recover unpaid water assessments. This matter has been settled and the action dismissed.

The following new action has been brought during the present year against the City:

Herman Claywood vs. City of Keene.

As to the suit of Herman Claywood vs. the City of Keene. Up to the present time the plaintiff has not filed a specification and the nature of the action is unknown.

All criminal cases falling within the jurisdiction of the City Solicitor were prosecuted in the Keene Municipal Court. The City Solicitor has also advised the officers of the City Government as to the law in various matters, and has drawn all the necessary deeds and arguments.

Respectfully submitted,

WALKER S. KIMBALL,
City Solicitor.

REPORT OF THE SUPERINTENDENT OF CEMETERIES

To His Honor the Mayor and Gentlemen of the City Councils:

I submit the report of the Cemetery department for the year ending November 30, 1937.

Aside from the regular routine work have had 105 adult burials and 6 infant burials during the year.

Have laid 333 feet of pipe in West Cemetery thus giving water to the north and south avenues which were without any service, also 238 feet of pipe in N. E. D. Woodland Cemetery; this giving water to the new plot laid out this year, at an expense of $69.43 for the material, but the work was done by our own men.

The City Councils voted in the Spring to buy from the Keene Savings Bank a piece of land bordering on our Cemeteries at a cost of $400.00, thus shortening our line and saving on the expense of fence, which cost for material and erecting $1.811.48.

The free ground has never been loamed over and it was a desire this year to do the same which was done at a cost of about $500.00. We have also graded a plot in N. E. D. Woodland, containing 52 new lots, at the expense of $1.000.00.

We have sold 6 lots at $100.00 each, 3 at $75.00, 1 at $60.00, 1 at $50.00, 1 at $40.00, 2 at $30.00, 5 at $25.00 and 1 single grave at $8.00, making a total of $1,168.00.

At the present time we are caring for 196 lots annual care and 570 lots perpetual care

Collections for the year have been $3,770.63.

Bills receivable $1,500.00.

Respectfully submitted,

F. C. POTTER,
Superintendent.

REPORT OF COMMITTEE ON PUBLIC PLAYGROUND

To His Honor the Mayor and Gentlemen of the City Council:

The City Playground Committee hereby submits its report for the year 1937.

We wish to make special mention of the the Memorial Tablet in honor of Mr. Adolf W. Pressler, former playground committee chairman, which was placed in Wheelock Park this season. This was made possible through the thoughtfulness of an interested parent and friends, the contributions of the school children throughout the city, and with the assistance of Park Commissioner, Mr. Robert Kingsbury.

Several hundred municipal playground children and representatives of the playground committee, the city government, and the board of education, joined in an impressive tribute to the memory of Mr. Pressler, "the children's friend," at the unveiling of the memorial tablet.

The detailed report of our directress shows the work accomplished for the year. The ever increasing attendance of smaller children between the ages of four and six, makes one realize that the work of the supervisors is carried on with knowledge and care.

The committee wishes to take this opportunity to thank all those who through their help and cooperation have made it possible to carry on this year's work.

Respectfully submitted,

COWLING HILTON,
MARY R. AYER,
MILDRED J. STROUT,
MARJORIE W. MINNICK,
BLANCHE C. TRACEY,
SIDNEY A. NIMS.

REPORT OF WHEELOCK PARK PLAYGROUND

To Cowling Hilton, Chairman of the Playground Committee:

The purpose of the Wheelock Park Playground is to give the younger children of the City of Keene an opportunity to play under conditions which are beneficial to their health as well as ther mental attitudes.

The majority of children attending the City Playground this season were under ten years of age. Children of this age require more careful attention. We are indeed fortunate in having such a safe, well equipped, and beautiful location like Wheelock Park for caring for them and relieving parents of any anxiety.

The average daily attendance was 167. The daily program carried out is as follows:

9:00-10:00	Organized game period.
10:00-10:15	Flag raising.
10:15-11:30	Play on the apparatus.
	Organized Softball and Basketball.
	First Aid.
	Supervised play in the wading pool.
	Organized Horseshoes.
	Tumbling.
11:30-12:30	Lunch period
12:30- 1:30	Music
	Folk Dancing
	Nature walks
1:30- 2:30	Play on the apparatus
	Organized Softball
	Organized Horseshoes
	Supervised play in the wading pool
	Sandpile work
	Organized Tenaquoit

The duties of the supervisors of the playground are as follows:

Miss Coogan—Group games, Boys 9 to 12. Horseshoes.
Miss Nolin—Group games, Boys 9 to 12. Nature walks.
Miss Lewis—Group Games, Boys and Girls under 9. Music.
Miss Faulkner—Group Games, Boys and Girls under 9. Music.
Miss Kharfen—Group games, Girls 9 to 12. Folk Dancing.
Miss Brown—Group Games, Girls 9 to 12. First Aid.
Miss Nano—Group games, older Boys. Tumbling.
Mr. Bergeron—Group games, older Boys. Softball.

Beginners swimming lessons were given in the afternoon at Robin Hood Pool by Miss Barbara Nolin of the playground staff.

Special events of the season are as follows:

Track Meet.
Dedication of the Adolf W. Pressler Memorial.
Doll Parade and Pet Show.
Park Fair.

The organized Softball team carried out a program that included games with the Robin Hood Park team, the Claremont Playground, and the Bellows Falls Playground.

Free milk for under privileged children was donated to the playground.

The Adolf W. Pressler cup awarded annually by the American Legion was presented to Marjorie Jackman for being the outstanding child attending the playground.

The thanks of the staff are extended to his Honor, Mayor Trask, Chairman Hilton, the Playground Committee, and the Park Department for their cooperation and daily assistance.

All necessary records in connection with the playground were kept from day to day.

No accidents occurred during the season.

Respectfully submitted,

JANET WHITCOMB,
Directress.

REPORT OF WELFARE DEPARTMENT

To His Honor the Mayor and Gentlemen of the City Councils:

I hereby submit the report of the Welfare Department for the year ending December 1st, 1937.

From December 1st, 1936 to June 30th, 1937, direct relief and Old Age Assistance were handled under the provisions of House Bill No. 296, which provided for 50% reimbursement for both types of aid. We were reimbursed 50% for direct aid for the months of November and December 1936, but owing to shortage of State funds the percentage of reimbursement was reduced to 33 1/3% for the months of January, February, March and April, 1937. We were however reimbursed 50% for Old Age Assistance until Sept. 1st, 1937 as this reimbursement comes directly from the Federal Government.

From May 1st, 1937 until Sept. 1st, 1937 the City had to stand the entire cost of direct aid. On Sept. 1st, 1937, Chapter No. 202 of the Laws of 1937 provided for a reimbursement of 20% for direct aid until June 30th, 1938 or until the State Appropriation of $600,000 was exhausted. This act also provided for a 75% reimbursement for Old Age Assistance.

The costs of relief for the year 1937 had shown a slight decrease until September, when owing to the industrial situation the costs took a decided jump. In the last three months there has been a sharper increase of welfare cases than at any time since 1933.

Listed below is a record of the expenditures for direct aid and Old Age Assistance, also a record of all refunds and reimbursements for the past year.

REPORT OF THE CHIEF ENGINEER OF THE FIRE DEPARTMENT

I hereby submit my report for the year ending November 30, 1937.

There were 21 Bell alarms, 360 Still alarms, making a total of 381 alarms. 16 of these calls were out of town.

The estimated vaue of buildings damaged by fire,	$498,750 00
Damage to buildings,	15,317 33
Insurance on said buildings,	376,500 00
Insurance paid,	15,317 33
Value of contents of buildings,	185,429 00
Damage to contents,	19,554 33
Insurance on said contents,	169,700 00
Insurance paid,	19,554 33

The number of alarms the department has answered for the year is 16 less than that of last year.

I think that a number of house owners have kept their chimneys cleaned in the past year, as we have not had as many chimney fires.

Grass, Automobile, Roof and partition, Dumps, and out of town fires makes up nearly fifty percent of the still alarms.

The fire loss will be quite a little more than that of last year, for the reason of the water damage at the Princess Shoe Co. on Church St. This happened on April 2nd, after the closing of the garage on the first floor the night before, a small fire started on the top floor, and this started the sprinkler which practically extinguished the fire, but the cause of the damage was that some time, probably that evening, a car or truck in the garage had hit, and broken off a small pipe, near the main valve that operates the alarm bell on the outside of the building, so as the sprinkler started there was no alarm outside to warn anybody that there was a fire. The fire department was not notified until about five o'clock in the morning. The water had leaked through the floors and damaged a good many pairs of shoes to the entent of more than $12,000. The garage have protected this pipe so this should not occur again.

The building inspections by the department has been carried out through the year in monthly inspections of the fire precinct with very good results.

The motor fire apparatus and its equipment is in very good condition. All pumping engines have been tested out for their capacities. Engine No. 1 has had new leather packings and valves installed in its pump and now is in A-1 Shape. Engine No. 3 has been equipped with two new rear tires which was getting too smooth for safety, these tires were three and one half years old, but this machine makes about eighty percent of the runs for the year. On all other pieces of apparatus we get about six years of service. In the coming year the tires on Engine No. 1 and the rear tires on Combination No. 2 should be renewed.

A Cambridge wind-shield has been installed on Combination No. 2 as this piece had no wind-shield before.

An H-H Inhalator of the Mine Safety Appliance make, with two extra tanks has been purchased by the department. This is a valuable piece of equipment to the city and to the department. The Inhalator has saved a good many lives in a number of cities and towns. Namely: Drowning, Electric Shock, over come by Gas or Smoke. The Inhalator is used in conjunction with artificial respiration.

The department has on hand 9,900 feet of 2½ inch double jacket rubber lined hose, 700 feet of pouras hose, 1,950 feet of 1½ inch single jacket rubber lined hose, and 1,200 feet of linen unlined hose at South Keene in hose house. There has been 450 feet of pouras hose turned over to the Water Department.

The Fire alarm system and its equipment are in very good condition. The two boxes purchased this year for replacement are Box 15, Water Street corner South Lincoln; and Box 23, Roxbury Street corner Beech. The department now has 29 of these 51 old type boxes replaced with modern ones.

DEATHS

One death ocurred in the department during the year. Fred A. Russell, Steamer Hose Company, died April 22, 1937.

There has been added to the permanent force another man, making six permanent men besides the chief. The call force has been reduced from 50 to 45 call men.

The Board of Engineers recommended the purchase of 1,000 feet of fire hose. Also new tires on Engine No. 1 and two rears on Combination No. 2, and also the two fire alarm boxes.

To His Honor the Mayor, Members of the City Government, Joint Standing Committee on Fire Department, Officers and members of fire department, and to the Police Department, I extend my sincere thanks and appreciation for the good support and co-operation rendered me during the year.

Respectfully submitted,
EUGENE B. RILEY,
Chief Fire Department.

REPORT OF SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Mayor and Aldermen:

The weight and measure devices in the City of Keene are in a satisfactory condition.

This year the Bureau of Standards from Washington, D. C., sent two men here with a large truck and fifteen 1,000 pound weights. They tested all of the coal scales that were in use in a very thorough manner and about 50% were found to be in good condition and they suggested what should be done to the others to make them right. The repairs have been made and all the coal scales in use are now in a satisfactory condition. They are in the best condition that they have ever been.

I wish to call the attention of all wood dealers that the law requires that their wood carts must be measured and sealed each year and that they should bring their carts to this office and have them sealed.

Respectfully,

E. D. HAYWARD,
Sealer.

REPORT OF CITY AUDITOR

To His Honor the Mayor and Members of the City Councils:

I have examined the bonds, notes, deposit books and other securities belonging to the City of Keene in the hands of the city treasurer and the trustees of trust funds, and find them correctly set forth in the proper schedules to be printed in the annual report.

I have examined the books and vouchers of the several officers and find that the collections and deposits for the fiscal year ending Nov. 30, 1937, agree with the recapitulation of receipts and expenditures reported by the finance committee.

I have examined, verified and allowed all claims paid by the City during the year amounting to $954,154.48 and the disbursements reported by the city clerk agree with the entries made by the auditor in his book.

Respectfully submitted,
WALTER M. HUBBARD,
Auditor.

VITAL STATISTICS

VITAL STATISTICS

To His Honor the Mayor and Gentlemen of the City Councils:

In compliance with an act of legislature, passed June session, 1887, amended by the legislature of 1889, requiring "clerks of towns and cities to furnish a transcript of the record of births, marriages and deaths to the municipal officers for publication in the annual report," I herewith submit the following:
